Jimmie & Cyndi:

Thank you for a fabulous performance. People are still talking about **A Tribute to the Life & Legend of Johnny Cash** and what a great show you performed for the Las Vegas Community.

Your show was exceptional taking the audience back in time remembering the late great Johnny Cash. The audience left the theatre with comments such as *fabulous show*, *absolutely fantastic*, *very talented*, etc. Looking forward to working with you both again on May 23, 2009.

You both are overflowing with talent and professionalism.

Sincerely,
